Conference Programme:

Aim. Act. Achieve.

Join 1,200+ international colleagues to explore key issues in quality and improving healthcare. This premier event is brought to you by IHI and BMJ in partnership with key regional organisations.

We invite you to Kuala Lumpur to connect with senior decision makers from global healthcare.

The two-day main conference features four keynote presentations and over 40 sessions divided across five streams:

Quality, Cost, Value

Population and
Public Health

Building Capability
and Leadership

Safety

Person and Family
Centred Care
