

This matters to me! Experience day with Region Kronoberg County, on site in Gothenburg.

Day and hours: 20th of June, 11.00-16.15

This matters to me! Creating safe, person-centred care in co-production with patients and families

Welcome to an interactive day presenting new models and tools combined with the components of humanity and patient power

During the day you will have the chance to take part in seminars, poster exhibitions, presentations and dialogues with professionals and patients. You will get to know both our county and the health care organisation. You will be the first to hear about PEP- Professional Experienced People, and learn about different examples of quality improvement initiatives.
