ASPIRING LEADERS IN HEALTHCARE

Agenda

1. Introduction to NGAP / Aspiring Leaders in Healthcare Network
2. Panel of Groundbreaking Healthcare Professionals
3. Open Networking

Aspiring Leaders in Healthcare Network

An international multi-professional community of practice, bringing together aspiring healthcare leaders

Our vision is that network members will help raise the collective voice of early-career professionals, bringing their passion, experience and perspectives into forums where healthcare leaders are navigating challenges of quality and safety in healthcare.

Opportunities:

- Online meetings every 6-8 weeks: experience sharing, speakers, use of reflective practice to develop understanding of leadership in healthcare
- Interactive platforms to promote the sharing of opportunities, ideas and collaborative thinking
- Annual Network meeting at the European International Forum on Quality and Safety in Healthcare
- Join the Next Generation Advisory Panel

Introduction to NGAP / Aspiring Leaders in Healthcare Network

The Next Generation Advisory Panel (NGAP)

A multidisciplinary team of early-career healthcare professionals working with International Forum organisers to:

- Bring the voice, experience and perspectives of early-career healthcare professionals and the next generation of healthcare leaders to the forum
- Increase presence of early-career professionals and next generation healthcare leaders at the forum
- Facilitate the annual meeting of our international network: the Aspiring Leaders in Healthcare Network

Our vision is to ensure that the next generation of healthcare leaders are prepared to continue the improvement movement to deliver safe and quality healthcare - and that the experience and perspectives from the frontline are considered by current leaders
