

## **Experience Day 7: NHG Health's Journey in Using Medication-use Technology for Medication Safety**

Join us for an immersive experience day that delves into how NHG Health leverages on medication-use technology and automation to drive medication safety and operational efficiency across diverse care settings. Gain deeper insights into our strategic use of closed-loop medication management systems, pharmacy automation, and ConviDose convenient dose packaging through two site visits - Tan Tock Seng Hospital and NHG Pharmacy Services Centre.
