Scotland	N Ireland	Norway	Denmark	Ireland	Canada	Wales	England	New Zealand	Australia

The relationship between professionals and patients is at the heart of our health system. If we want a different health system, we need a different type of relationship.”

Martin Fischer

**IMPROVEMENT
SCIENCE**

SYSTEMS THINKING

**PSYCHOLOGY &
LEADERSHIP**

**HUMAN FACTORS &
ERGONOMICS**

SERVICE DESIGN

**What was your highlight
or light bulb moment
from yesterday?**

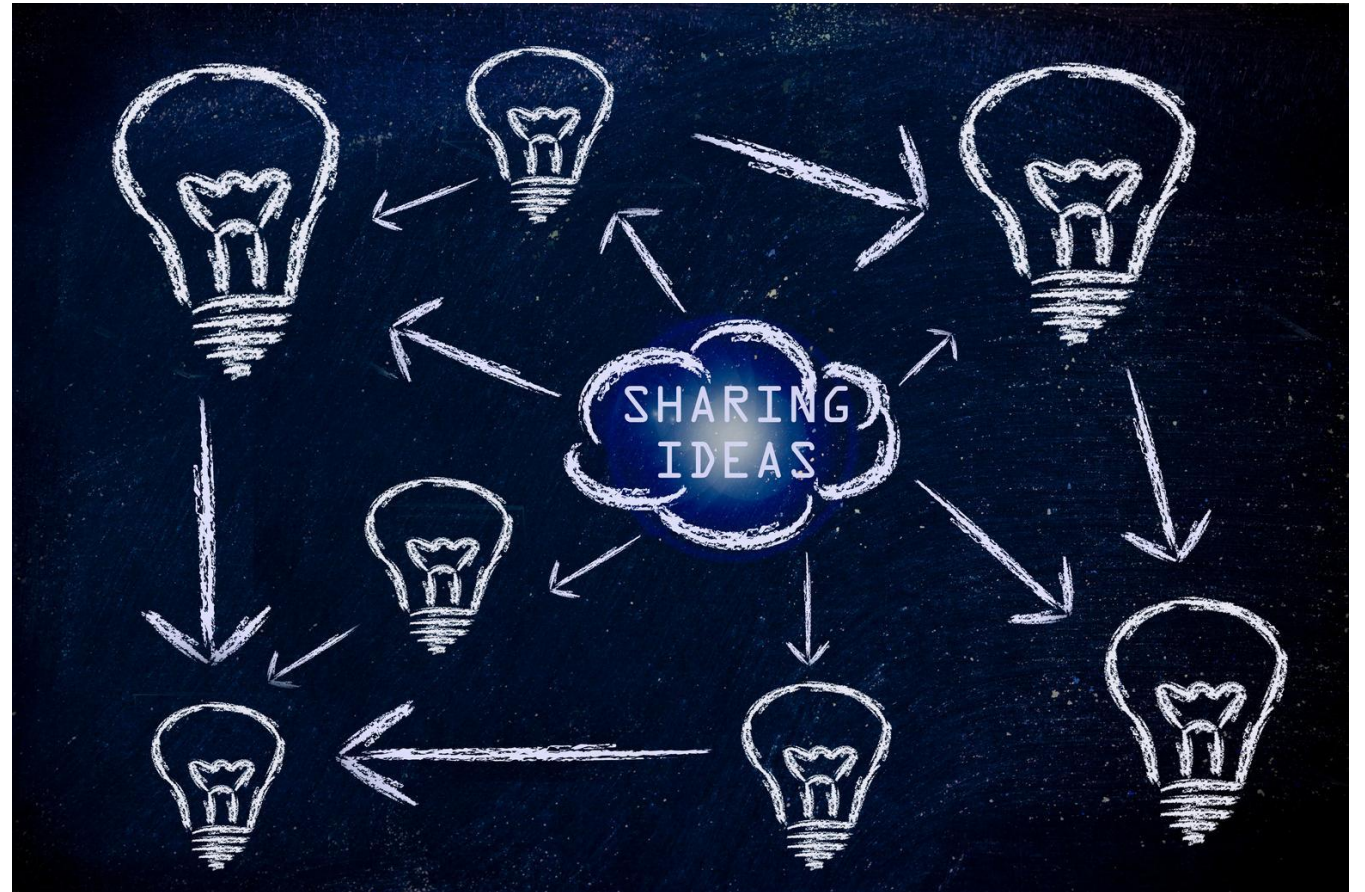

**What are you looking
forward to most today?**

**What learning
will you share
with colleagues on
your return?**

Thank you....
And enjoy the rest of the forum
