Welcome

Now in its
25th year!

The International Forum on Quality and Safety in Healthcare will showcase the very best of healthcare improvement from across the world and reflect on the solutions for the challenges we face.

Join 3,250+ attendees from around 70 countries who strive to make patient care better. This event aims to improve outcomes for patients and communities, provide practical solutions, foster effective innovation and connect healthcare leaders and clinical practitioners around the world.

Reach these decision makers via this premier event where an inspirational programme is created to engage, energise and evolve healthcare. Our co-chairs, together with our local advisory committee, will create a programme that is relevant, engaging and timely for delegates.

Join us in Copenhagen.
